Contributions

(b) Detail of Contributions

Contributions include money provided to or on behalf of the registered political party without compensation from the registered political party and includes donations in kind and membership fees or dues paid to the registered political party.

Detail of the name of and total amount received from each contributor included in classes 1 to 5 in Part (a) who have provided money, goods or services by way of a gift, loan, advance, deposit or other form of assistance must be reported in the aggregate by classification in the appropriate schedule. Such contributions are to be identified in one of three categories: (A) contributions in excess of $250.00, (B) contributions of $250.00 or less but more than $25.00, and (C) contributions of $25.00 or less. The sum of the categories should reflect the total contributions received, in the fiscal period, for the use of the registered political party in each classification schedule.

Where a corporation, trust fund or constituency association makes a contribution, pursuant to subsection 240(6) of *The Election Act, 1996*, each such contribution must be accompanied by a statement which sets out the name of the person who authorized the contribution on behalf of the corporation, trust fund or constituency association, and the name of and the amount contributed by, each person who made a contribution in excess of $250.00 in a year and whose contribution was used to make up the funds contributed by the corporation, trust fund or constituency association.

Where a registered party makes a contribution, pursuant to subsection 240(7) of *The Election Act, 1996*, each such contribution must be accompanied by a statement which sets out the name of and the amount contributed by, each person who made a contribution in excess of $250.00 in a year and whose contribution was used to make up the funds contributed by the registered party.

A true and correct copy, certified by the chief official agent, for each such statement of contribution received pursuant to subsections 240(6) and (7), must be affixed to this Return (ss. 250(3)).

Revenue received by a registered political party, during the fiscal period, from fund-raising activities, meetings and sales of material of a promotional nature are deemed contributions. The total net proceeds from each source indicated must be recorded and, in the aggregate, reported in this Return.

The value of donations in kind must be recorded and included as a contribution received by the chief official agent where claimed as an election expense. Accordingly, commercial value is an election expense and a contribution concurrently.
