**Re: Invitation to Lloydminster By-Election Debrief;
Update on Final Enumeration and creation of the
Permanent Register of Voters**

On January 14, 2015 Elections SK will host a meeting of the province's Registered Political Parties to discuss the administration of the by-election in the constituency of Lloydminster. In addition, there will be a discussion on current plans regarding the timing and conduct of the "final" door-to-door enumeration of voters and how this data will be used to populate the newly legislated Permanent Register of Voters for Saskatchewan.

I would like to invite one representative from your political party to attend this meeting. My strong preference is that you, as Chief Official Agent, attend this important session. If that is not possible, please consider sending a representative in your place who can offer feedback on the administrative conduct of the recent by-election, the process and quality of previous provincial enumerations, and any concerns regarding the new data structure that will be part of the Register-derived lists of voters in the next election. While I already have a number of topics on the agenda, I would encourage you to bring any and all related issues you would like to discuss to my attention.

**January 14, 2015
Hotel Saskatchewan, Brighton Boardroom - Regina
10 a.m. to 3 p.m.
Lunch will be provided**

I would ask that you RSVP to Anna Morton by January 9, 2015. Anna can be reached via telephone at (306) 787-4290 or by email at anna.morton@elections.sk.ca. Parking will be available, free of charge, in the hotel's parking lot, but we will need to collect vehicle and licence plate information in advance. If you have any questions, please touch base with Anna.

I look forward to receiving your input during this meeting. Please know that the information you provide is important and will help inform our preparations for the 28th General Election.

Thank you,
