AUDITORS' REPORT

To: Glenn Larson, Business Manager of Tyler Forrest, Candidate in the Election in the constituency of Regina Wascana Plains.

We have audited the return of election expenses of Tyler Forrest, Candidate in the election in the constituency of Regina Wascana Plains, for the campaign period from October 10, 2007 to November 7, 2007. This return is the responsibility of the business manager. Our responsibility is to express an opinion on the return based on our audit.

Except as explained in the following paragraph, we conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the return is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the return. An audit also includes assessing the accounting principles used and significant estimates made by the business manager, as well as evaluating the overall return presentation.

Due to the nature of the types of transactions inherent in any election campaign, it is impracticable through auditing procedures to determine that the accounting records include all transactions for the campaign period. Accordingly, our verification of these transactions was limited to the amounts recorded in the accounting records of the business manager and candidate and we were not able to determine whether any adjustments might be necessary to those expenses.

In our opinion, except for the effect of adjustments, if any, which we might have determined to be necessary had we been able to satisfy ourselves as to the completeness of the records as described in the preceding paragraph, the return presents fairly, in all material respects, the financial transactions of the candidate's campaign required by section 261 of *The Election Act*, 1996 to be detailed in the return of election expenses for the campaign period from October 10, 2007 to November 7, 2007.

We further report that contributions received by the campaign total \$39,146.21 and expenses total \$38,988.55 and Candidate expenses paid the campaign total \$57.97 (included in expenses total).

Regina Wascana Plains constituency, re election on Nov. 7/07

Date of this memo: February 8, 2008

On February 5, 2008, I had a conversation with Jeanette Martin, Returning Officer for this constituency (tel: 306-789-6686).

I indicated that the auditor, Mintz & Wallace, had provided an excel spreadsheet which stated all required information for this return - presented section by section.

Rather than recopy everything in longhand (which may include illegible writing, and stuff like that.), Jeanette said it would be acceptable to just paste copies of the Mintz & Wallace report onto the appropriate pages. That's what I've done, and it's what you see here.

(b) Detail of Contributions

Contributions include money provided to or on behalf of the candidate without compensation from the candidate and includes donations in kind.

Detail of the name of and total amount received from each contributor included in classes 1 to 5 in Part (a) who have provided money, goods or services by way of a gift, loan, advance, deposit or other form of assistance must be reported in the aggregate by classification in the appropriate schedule. Such contributions are to be identified in one of three categories: (A) contributions in excess of \$250.00, (B) contributions of \$250.00 or less but more than \$25.00, and (C) contributions of \$25.00 or less. The sum of the categories should reflect the total contributions received for the use of the candidate in each classification schedule.
