## AUDITOR'S REPORT

TO: Randy Kachur, Business Manager of Greg Ottenbreit

I have audited the return of Election expenses of Greg Ottenbreit for the campaign period from October 10, 2011 to November 7, 2011. This return is the responsibility of the business manager. My responsibility is to express an opinion on the return based on my audit.

Except as explained in the following paragraph, I conducted my audit in accordance with Canadian general accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the return is free of material misstatement. An audit included examining, on a test basis, evidence supporting the amounts and disclosures in the return. An audit also included assessing the accounting principles used and significant estimates made by the business manager as well as evaluating the overall return presentation.

Due to the nature of the types of transactions inherent in any election campaign, it is impracticable through auditing procedures to determine that the accounting records include all transactions for the campaign period. Accordingly, my verification of these transactions was limited to the amounts recorded in the accounting records of the business manager and candidate and I was not able to determine whether any adjustments might be necessary to those expenses.

In my opinion, except for the effect of adjustments, if any, which I might have determined to be necessary had I been able to satisfy myself as to the completeness of the records as described in the preceding paragraph, the return presents fairly, in all material respects, the financial transactions of the candidate's campaign required by section 261 of *The Election Act, 1996* to be detailed in the return of election expenses for the campaign period from October 10, 2011 to November 7, 2011.

## Part I

### Contributions

#### (b) Detail of Contributions

Contributions include money provided to or on behalf of the candidate without compensation from the candidate and includes donations in kind.

Detail of the name of and total amount received from each contributor included in classes 1 to 5 in Part (a) who have provided money, goods or services by way of a gift, loan, advance, deposit or other form of assistance must be reported in the aggregate by classification in the appropriate schedule. Such contributions are to be identified in one of three categories: (A) contributions in excess of \$250.00, (B) contributions of \$250.00 or less but more than \$25.00, and (C) contributions of \$25.00 or less. The sum of the categories should reflect the total contributions received for the use of the candidate in each classification schedule.

Where a corporation, trust fund or constituency association makes a contribution, pursuant to subsection 240(6) of *The Election Act, 1996*, each such contribution must be accompanied by a statement which sets out the name of the person who authorized the contribution on behalf of the corporation, trust fund or constituency association, and the name of and the amount contributed by, each person who made a contribution in excess of \$250.00 in a year and whose contribution was used to make up the funds contributed by the corporation, trust fund or constituency association.

Where a registered party makes a contribution, pursuant to subsection 240(7) of *The Election Act, 1996*, each such contribution must be accompanied by a statement which sets out the name of and the amount contributed by, each person who made a contribution in excess of \$250.00 in a year and whose contribution was used to make up the funds contributed by the registered party.

A true and correct copy, certified by the business manager, for each such statement of contribution received pursuant to subsections 240(6) and (7), must be affixed to this Return (ss. 261(3)).

Revenue received by a candidate from fund-raising activities, meetings and sales of material of a promotional nature are deemed contributions. The total net proceeds from each source indicated must be recorded and, in the aggregate, reported in this Return.

The value of donations in kind must be recorded and included as a contribution received by the business manager where claimed as an election expense. Accordingly, commercial value is an election expense and a contribution concurrently.
