

Candidate's Return of Election Expenses

Name of Candidate Kate Ecklund

Political Affiliation Green Party of Saskatchewan

Electoral Event/Date April 4, 2016

Constituency Moosomin, SK

As Reviewed

TKL JUN 27, 16

To the Business Manager for Kate Ecklund Green Party Candidate Moosomin Candidate:

I have audited the return of election expenses of the Committee to Elect Kate Ecklund for the campaign period from March 8 to April 4, 2016. This return is the responsibility of the business manager. My responsibility is to express an opinion on the return based on my audit.

Except as explained in the following paragraphs, I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the return is free of material misstatement. An audit includes examination, on a test basis, evidence supporting the amounts and disclosures in the return. An audit also includes assessing the accounting principles used and significant estimates made by business manager, as well as evaluating the overall return presentation.

Due to the nature of the types of transactions inherent in any election campaign, it is impracticable through auditing procedures to determine that the accounting records include all transactions for the campaign period. Accordingly my verification of these transactions was limited to the amounts recorded in the accounting records of the business manager and candidate and I was not able to determine whether any adjustments might be necessary to those expenses.

Section 240(6) of The Election Act 1996 requires contributions from a corporation, trust fund or constituency association to be accompanied by a statement which sets out the name of and the amount contributed by, each person who contributed in excess of \$250 in a year and whose contribution was used to make up the contribution from the corporation, constituency association or trust fund. The statement must identify the person authorized to make the contribution and must be certified by the business manager, that the information on the statement was true and correct.

There are contributions from seven individuals totaling \$1300.00. In addition, there is also a contribution of \$100 from a corporation. Only \$900.00 of these contributions were deposited directly into the bank account, the remaining \$500.00 went directly to vendors.

The expenditure on Part II (a) Candidate Campaign Expenses to the amount of \$486.13 was for a travel expenses with a private vehicle. The meal allowance is

verified by the attached receipt. There are only kilometers given but there are no signed statements to verify the amount of the vehicle usage. The total kilometers travelled is 1157 km at a rate of \$0.42 per kilometer.

The return includes an expenditure of \$1,117.66 on Part II (b) Petty Expenses for supplies needed for an advertising event. Most of these bills were paid directly and not through the bank account.

The expense of \$241.50 on Part II (d) Advertising is for an advertisement placed in the Plain & Valley. The amount is verified by the attached invoice.

In my opinion, except for the effect of adjustments, if any, which I have determined to be necessary had I been able to satisfy myself as to the completeness of the records as described in the preceding paragraphs, the return presents fairly, in all material respects, the financial transactions the candidate's campaign required by Section 261 of The Election Act, 1996 to be detailed in the return of election expenses for the campaign period March 8 to April 4, 2016.
