Map 1 of 1

This map displays the Regina South Albert constituency, outlined in red. The area is primarily composed of residential streets and green spaces. Key streets include 25th Ave through 31st Ave running east-west, and Montague St, Albert St, and various local streets running north-south. Notable parks are shown in green hatched areas, including Cross Pl, Mayfair Cres, and several others. The constituency is bordered by Regina Lakeview to the north, Regina University to the east, Regina Pasqua to the west, and City View Estates, White City-Qu'appelle, and Lumsden-Morse to the south. The city limit is indicated by a thick red line. A legend in the top-left corner defines symbols for the constituency, urban municipality, water, parks, highways, and railways. An inset map shows the constituency's location within the city of Regina. A scale bar and compass rose are also present.
