Map 1 of 1

This map displays the Saskatoon Silverspring constituency, outlined in red. The area is primarily composed of urban municipalities, shown in yellow. Major roads and streets are labeled throughout the region, including Central Ave, Kristin Janson Rd, Somers Rd, and various residential streets like Reid Rd, Pitt Ave, and Kerr Rd. Water bodies, such as the South Saskatchewan River and several lakes, are depicted in blue. The map also shows surrounding constituencies: Saskatoon Meewasin to the northwest, Saskatoon University-Sutherland to the south, Saskatoon Willowgrove to the east, and Saskatoon Chief Mistawasis to the northeast. A legend in the bottom-left corner provides symbols for the constituency boundary, urban municipalities, water, parks, highways, and railways. Additionally, a location map within the legend shows the constituency's position within the larger city of Saskatoon. A scale bar and a compass rose are also included for reference.
