Returns and Reports submitted to the Chief Electoral Officer by Registered Political Parties and Candidates

For information required by *The Election Act, 1996* section 286(1)(a), please see Appendix I and II.

The Establishment and Use of Mobile Polls

This reporting requirement originates from a period when the use of mobile polls was limited to special or unusual circumstances such as floods, fires, etc. The Chief Electoral Officer was required to report on the number of polls for issues of security and transparency. Since that time, mobile polls have become an expected and accepted polling option regularly used in personal care homes throughout the province.

On by-election day, mobile poll workers visited two locations in the constituency. 9 valid votes were cast at these mobile polls.

Orders and Authorizations of the Chief Electoral Officer

The Chief Electoral Officer may make exceptions to *The Election Act, 1996*'s financial reporting provisions for election purposes for both registered political parties and candidates. In such instances, the legislation mandates the Chief Electoral Officer report on the situation and events surrounding the order or authorization granted.

Pursuant to subsection 262(7) of *The Election Act, 1996*, the Chief Electoral Officer granted three orders to two business managers for the extension of time to prepare and file the required candidate's return of election expenses, form E-412. These authorizations are listed below.

Registered Political Party	Business Manager	Candidate	Number of Extensions Granted
New Democratic Party, Sask. Section	Dianne Winters	Vicki Mowat	2
Saskatchewan Party	Walter Tillson	Cameron Scott	1

Reimbursements Paid Pursuant to Part VII to Each Registered Political Party and Candidate

For information required by *The Election Act, 1996* section 286(2), please see Appendix I and II.
