

ELECTIONS SASKATCHEWAN

Regina Northeast By-Election Communique for Chief Official Agents Issue Two: August 20, 2018

Election proclamation available

Election Proclamation Available

An election proclamation is a valuable source of information about an electoral event. In one page, it provides a constituency map, all polling locations, as well as details on voting times and returning office information. Our returning officer is responsible for providing candidates with copies of the proclamation, but I wanted to make sure that all of you have timely access as well.

I have attached a copy of the election proclamation to this communique. It can also be found on our website under “Proclamation” within the Regina Northeast by-election section of the site.

Preliminary Voters List

As I said last week, the preliminary voters list is now available. As a reminder, you can access the list by going to <https://portal.elections.sk.ca/> and entering the credentials we have provided.

Upcoming Deadlines

Finally, a reminder of two important upcoming deadlines. Monday, August 27 will be the deadline for each party to satisfy the requirements of section 226 of *The Election Act, 1996* and is also the nomination deadline for candidates in this by-election.
