

Voting is easy.

Here is what happens when you vote inside a voting place during the Athabasca by-election:

1 An election worker will make sure you are at the correct voting place and will direct you inside.

2 Another election worker will ask you to show them ID that proves your name and address.

3 You will be handed one folded ballot.

4 Go behind the voting screen. Mark an X next to the name of one candidate.

5 Re-fold your ballot. Keep your choice a secret.

6 An election worker will show you the box to drop your ballot in.

That's it. You have voted. Congratulations!

Voting safely is our priority.
