

Voting is easy.

Here is what happens when voting here today:

1 An election worker will make sure you are at the correct voting place.

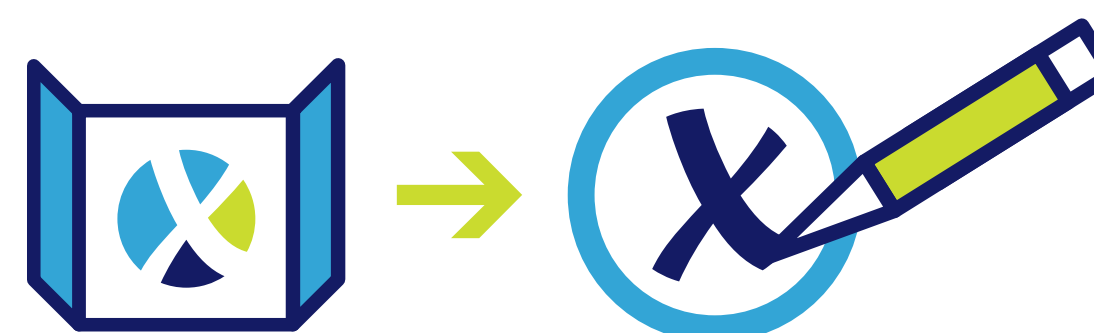

2 Another election worker will ask you to show them ID that proves your name and address.

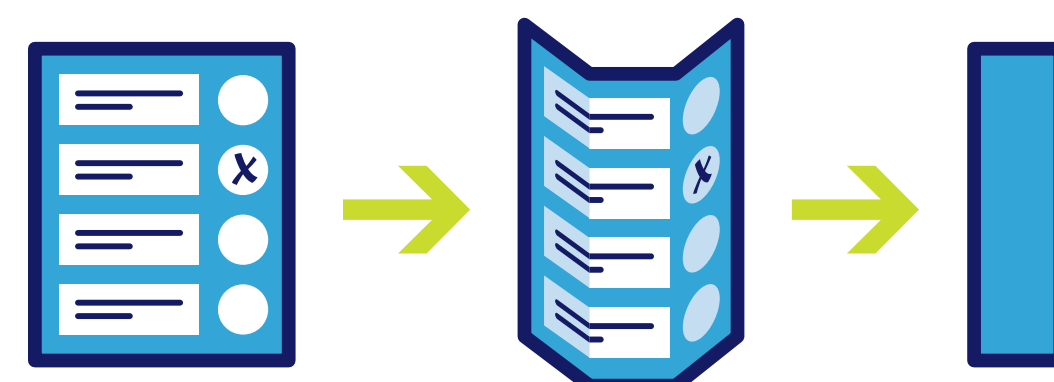

3 You will be handed one folded ballot.

4 Go behind the voting screen. Mark an X next to the name of one candidate.

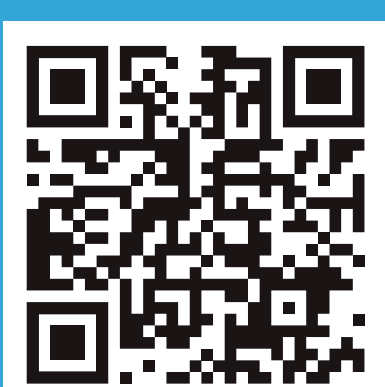

5 Re-fold your ballot. Keep your choice a secret.

6 Hand the ballot back to the election worker. They will show you the box to drop it in.

That's it. You have voted. Congratulations!
