# Registered Political Party's Fiscal Period Return

- The Saskatchewan Party

Name of Registered Political Party

## AUDITORS' REPORT

The Saskatchewan Party Fund Inc.  
Chief Official Agent for The Saskatchewan Party

We have audited the fiscal period return for **THE SASKATCHEWAN PARTY** for the year ended December 31, 2007. This return is the responsibility of the Party's Chief Official Agent. Our responsibility is to express an opinion based on our audit.

Except as explained in the following paragraph, we conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the return is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the return. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall return presentation.

Due to the nature of the types of transactions inherent in an organization of this type, it is impracticable through auditing procedures to determine that the accounting records include all transactions for the fiscal period. Accordingly, our verification of these transactions was limited to the amounts recorded in the accounting records of the registered political party and we were not able to determine whether any adjustments might be necessary to those transactions.

In our opinion, except for the effects of adjustments, if any, which we might have determined to be necessary had we been able to satisfy ourselves concerning the completeness of the transactions referred to in the preceding paragraph, the return of The Saskatchewan party present fairly, in all material respects, the financial transactions of the Party required by Section 250 of the Election Act, 1996 to be detailed in the Party's return, for the year ended December 31, 2007.

### **Contributions**

#### **(b) Detail of Contributions**

Contributions include money provided to or on behalf of the registered political party without compensation from the registered political party and includes donations in kind and membership fees or dues paid to the registered political party.

Detail of the name of and total amount received from each contributor included in classes 1 to 5 in Part (a) who have provided money, goods or services by way of a gift, loan, advance, deposit or other form of assistance must be reported in the aggregate by classification in the appropriate schedule. Such contributions are to be identified in one of three categories: (A) contributions in excess of \$250.00, (B) contributions of \$250.00 or less but more than \$25.00, and (C) contributions of \$25.00 or less. The sum of the categories should reflect the total contributions received, in the fiscal period, for the use of the registered political party in each classification schedule.

Where a corporation, trust fund or constituency association makes a contribution, pursuant to subsection 240(6) of *The Election Act, 1996*, each such contribution must be accompanied by a statement which sets out the name of the person who authorized the contribution on behalf of the corporation, trust fund or constituency association, and the name of and the amount contributed by, each person who made a contribution in excess of \$250.00 in a year and whose contribution was used to make up the funds contributed by the corporation, trust fund or constituency association.

Where a registered party makes a contribution, pursuant to subsection 240(7) of *The Election Act, 1996*, each such contribution must be accompanied by a statement which sets out the name of and the amount contributed by, each person who made a contribution in excess of \$250.00 in a year and whose contribution was used to make up the funds contributed by the registered party.

A true and correct copy, certified by the chief official agent, for each such statement of contribution received pursuant to subsections 240(6) and (7), must be affixed to this Return (ss. 250(3)).

Revenue received by a registered political party, during the fiscal period, from fund-raising activities, meetings and sales of material of a promotional nature are deemed contributions. The total net proceeds from each source indicated must be recorded and, in the aggregate, reported in this Return.

The value of donations in kind must be recorded and included as a contribution received by the chief official agent where claimed as an election expense. Accordingly, commercial value is an election expense and a contribution concurrently.
